DESCRIPTION

Fresh from a comprehensive refit completed in 2025, CALADAN (ex SDO'MAR) presents herself in exceptional shape, combining explorer strength with refined modern luxury. Built in 2015 as a Tansu Cuda Class 124, this 38-meter motor yacht quickly earned global acclaim, including the prestigious Neptune Trophy at the World Superyacht Awards. Her distinctive military-style profile, expansive deck layout, and light-filled interiors make CALADAN a standout presence throughout the Western Mediterranean.

Explorer Capability and Ultimate Comfort

Designed for extended cruising, CALADAN blends explorer DNA with advanced onboard comfort. Sophisticated stabilizer systems ensure smooth passages both underway and at anchor, while the vertical wave-piercing bow minimizes vertical motion in varying sea states. Her wooden epoxy hull construction enhances sound and vibration insulation, creating a calm interior environment. Large panoramic windows flood the salon with natural light, while exterior dining for up to 12 guests and lounging areas offer multiple shaded and open-air settings throughout the day.

Fully-Loaded Toy Chest

Charter Yacht CALADAN delivers far more than a traditional superyacht experience. Guests gain access to a floating fleet, anchored by a high-performance tender that operates as a motor yacht in its own right, complete with a 25-nautical-mile offshore license. Complementing this are a dedicated sailing boat, a catamaran, and a trimaran, allowing seamless transitions between power and sail. Two jet skis, an e-foil fliteboard, kite-surfing equipment, waterskis, wakeboards, paddleboards, and inflatable towables complete an offering that transforms a single charter into multiple boating experiences.

Mediterranean Freedom

M/Y CALADAN offers exceptional cruising freedom across the Western Mediterranean, enabling guests to explore several iconic regions without relocation fees. Her operational range includes charter licenses for the Balearic Islands, the French Riviera, Corsica, Sardinia, and southern Italy, allowing itineraries to remain flexible and weather-responsive. Supported by an experienced six-member crew with deep regional knowledge, each voyage is shaped by guest preference rather than fixed cruising grounds.

ACCOMMODATION & TOYS

8 Guests in a Two-Master Megayacht-Style Layout

CALADAN luxury yacht for charter welcomes up to 9 guests across four generously proportioned cabins, including two full master staterooms, a configuration rarely found on yachts in this size category. The upper-deck master suite benefits from elevated views and direct access to a private outdoor terrace, while the full-beam lower-deck master cabin is positioned amidships and includes an additional berth suitable for a child. Two spacious twin cabins forward, each with large ensuite bathrooms, complete a layout ideally suited for families and mixed-age groups.

Cabin configuration: 2 master and 2 twin cabins
Bed configuration: 2 king and 5 single beds

En-suite bathrooms in all cabins, air condition throughout, generator, stabilizers at anchor, stabilizers underway, Wi-Fi internet with extender system, Bose sound system, smart TVs, swimming platform, new crane for launching the variety of water toys
