DESCRIPTION

“Bravo” — 1 of 1 Custom – Enhanced – Exclusive

THE GOLDEN EDITION DIFFERENCE
The Golden Edition philosophy is simple: elevate the ownership experience beyond the standard build, focusing on seakeeping comfort, ease of handling, independence at sea and premium outdoor living.

Key Golden Edition enhancements include:

Fin stabilisers – a highly sought-after upgrade that dramatically improves comfort both at anchor and underway, rarely found on comparable Predator 57s
Bow & stern thrusters – providing precise, stress-free manoeuvring in all conditions
Xenta Docking System – at helm and aft
Water maker – enabling extended cruising without reliance on marina facilities
Hydraulic 3-stage gangway with stern docking winches
Hydraulic swimming platform
Underwater lighting package for an elegant nighttime presence
Premium cockpit entertainment setup, including BBQ and icemaker
Upgraded sound and AV systems for a refined onboard atmosphere
Additional thoughtful enhancements aimed at long-term, owner-operator enjoyment

This carefully selected combination of upgrades places Bravo well above typical market offerings and aligns her with a more modern ownership expectation.

SPECIFICATIONS

	Sunseeker
Model	*Predator 57*
Year	*2015*
Name	*Bravo*
Price	*795,000*
Tax	*Not Paid*
Length	*18.24 m*
Beam	*4.7 m*
Draft	*1.3 m*

Engines	*2 x Volvo D13 900*
Engine hours	*900*
Propulsion	*Shaft drives*
Accomodation	*3 x cabins + crew cabin*
