DESCRIPTION

DESIGNED WITH GRACE AND HOSPITALITY IN MIND

Having just completed a full refitting in the winter of 2019/2020, Elegance 82 provides superior luxury thanks to its state-of-the-art functionality and demure style.

The vessel's spacious flybridge is a fantastic platform for lounging and watching the Mediterranean go by, while the panoramic helm allows you to experience the craft's exhilarating performance across the water.

Both areas lend themselves incredibly well for a spot of alfresco dining, and can hold up to 6 guests for whom there are three spacious guest cabins, all of which come with ensuite facilities.

As this is a craft that has been designed with high-end hospitality in mind, there are crew quarters which are fully equipped with ensuite cabins for up to four crew members. The interior is good enough to be your second home, with a warm and cosy living-room ambience throughout for evenings spent onboard.
