ANNA-LIZA G

Description

Anna Liza G is a very well equipped 2020, 5 cabin Sunseeker 95 Yacht that was delivered to the owners in June 2020. Due to the pandemic, the owners used the yacht for the whole of July 2020 and then stored Anna Liza G in a hanger at a shipyard in Malta. The manufacturing warranty started in June 2020. Anna Liza G is a yacht under 24m load line and was designed for long distance travel, with a fuel capacity of 12,000L and a range of 1,400 nautical miles. This yacht is registered under a Maltese Flag and VAT is not yet paid. Malta is a tax efficient jurisdiction and anyone who is purchasing Anna Liza G can benefit from Temporary Importation if they are Non EU individuals (including Brits) allowing for EU VAT not to be paid and for the yacht to be used in free circulation in EU waters for periods of 18 months. In the case of EU individuals, one can opt to spread the 18% VAT over the lifetime of the yacht being 25 years. VAT payments would be deferred over this same period and an average of just over 1% VAT per annum would be paid. If the yacht spends time outside the EU this annual % VAT payment can be reduced further.

Layout / Interior

Anna Liza G is a 5 cabin layout, with Master cabin on the Main deck and 4 guest cabins on the lower deck.

Additional Extras

- › 'Havana White Rum' tufted loop pile. Stairwell risers are to be in Wenge Satin.
