LWL: **66 ft 6 in**

Beam: **19 ft 5 in**

### Weights

Dry Weight: **63,199 kg**

### Tanks

Fuel: **5,900 l**

Fresh Water: **1,320 l**

### Accommodations

Double Berths: **2**

Heads: **4**

Twin Berths: **2**

Cabins: **4**

### Other

Warranty: **None**

Hull Shape: **Deep Vee**

Builder: **Ferretti Yachts**

## Manufacturer Provided Description

At a length of 24 meters the Ferretti 780 is characterized by a completely innovative layout considering its internal details that guarantee ample space. It also presents refined finishes in teak wood compared to the traditional cherry wood that is normally adopted for a yacht of such dimensions. The design decision to integrate the access ladder to the flybridge within the wall structure of the yacht offers a continual visual solution from the rear deck facing the bow- thus enlarging the space dedicated to the conversation area featuring double sofas of contemporary design. Light colored finishes highlight the spirit of the boat, while large window structures allow to live in close contact with the sea, rendering the master cabin and the bathroom area an environment of great elegance to enjoy in full contact with the sea. Thanks to the introduction of the rear garage covered in teak the 780 offers many opportunities to take advantage of the open space, facilitating an easy descent into the sea.

## Description Layout

Accommodation for up to 8 guests in 4 cabins (2 doubles and 2 twin, one with pullman berth). Each cabin is ensuite. The main cabin has a sofa, an area with a walk in wardrobe. There are 2 crew cabins for up to 4 crew. The saloon is very spacious and overlooks the dining area. The galley can be closed off from the living areas with a side door. A lot of exterior area that enables guests to have their own spaces on the yacht. Includes also a tender garage.
