DESCRIPTION

AQUANAUT is a 2019 Sunseeker Manhattan 66 presented in impeccable condition, professionally maintained by two full-time crew, a captain and a deckhand. Powered by twin MAN V8 1200HP engines on shaft drive with 900 hours, she is VAT paid in Malta and offered at €1,800,000 including VAT.

Her specification includes a white hard top with electric opening centre section and electric stern canopy, a Sleipner SPS55 hull stabiliser, proportional bow and stern thrusters with joystick control at both helms and stern docking capstans. Navigation is by Simrad, with twin 16-inch displays at the lower helm, twin 12-inch displays on the flybridge, Halo 4 open-array radar and AIS.

A hydraulic bathing platform, Besenzoni telescopic gangway, teak decks throughout and a flybridge wet bar with electric grill and icemaker support life on the water. A 27 kW Cummins Onan generator, 104,000 BTU tropical air conditioning and a retrofitted water maker complete a superb package.
