SUNSEEKER PREDATOR 65 - NEW STOCK

GBP 2,650,000 - TAX NOT PAID

yachthubgroup.com

DESCRIPTION

The new Predator 65 benefits from the latest Volvo Penta IPS-1350 offering enhanced performance, comfort, efficiency and manoeuvrability.

Complete with joystick control and 35-knot capability, she will provide an exhilarating, one-of-a-kind driving experience in well-appointed surroundings.

Externally there are two distinct entertaining areas; a bow seating area complete with a large sunpad, and a broad cockpit with comfortable dining seating. Aft, the open-plan space can be designed to the owner's exact requirements.

Furniture options include comfortable seating backed onto a large sun pad over the garage and a social bar unit with matching stools on the port side, a fully integrated wet bar or extended J-shaped lounge seating running aft from the galley across the width of the cockpit. The multiplicity of arrangements and furniture configurations available offer space and flexibility for a family or a group of couples.

An extra-wide tender garage allows a Williams 345 jet tender to be carried and launched via a new diagonal sliding hydraulic bathing platform. The additional garage space can store SeaBobs, inflatable paddleboards, diving equipment or racking.

ACCOMMODATION

Below deck, the three-cabin layout provides accommodation for up to six guests.

A spacious, full-beam master stateroom features a generous en-suite, while the thoughtfully designed forward VIP cabin provides an equally comfortable haven for guests.

Each guest cabin has an en suite, and there is a separate day-head below.

Optionally, an open-plan Owner’s Office linked to the master stateroom, a single-berth cabin, lower deck galley or saloon can be specified, delivering flexibility for any owner.
