# DESCRIPTION

The E26 Classic is a sporty 8 metre day cruiser, with a unique and sophisticated style: a perfect balance between vintage and contemporary essentiality.

The unique style of this model does not make it any less versatile.

Contrarily, the E26 Classic can be both the perfect day cruiser and luxury tender.

This model is particularly traditional, demonstrated by the teak clad bow deck, recalling the classic heritage of wooden boats which acts as a visual counterpoint to the teak-clad stern platform. And of course, innovative and functional solutions are not lacking.

# ACCOMMODATION

“BOBO 8” has a small but luxurious cuddy cabin for those impromptu overnight stays or occasional rain shower, and a heads compartment for added comfort.

She is a real head turner and is the ultimate way to enjoy the lake or sea with friends and family.
