48 Wallytender X: High-Performance Luxury Powerboat

The 48 Wallytender X is an exceptional example of cutting-edge design and engineering in the luxury powerboat market. This model combines iconic Wally styling, unparalleled performance, and versatility, making it the ideal vessel for discerning owners seeking a fast, stylish, and comfortable tender or day boat. The boat on offer is in very good condition, featuring new engines with only 50 hours of use, ensuring reliability and near-brand-new performance. It is also very well-equipped, offering premium features that enhance functionality and onboard comfort.

Sleek and Modern Design

True to Wally's signature design language, the 48 Wallytender X boasts sleek, minimalist lines with a striking hull profile that turns heads in any marina or on open water. Its aerodynamic structure and flush decks are seamlessly integrated with advanced materials, ensuring both aesthetic appeal and robust durability. The open layout and clever use of space create a sense of luxury and openness while maintaining a sporty edge.

The exterior features a stylish yet functional layout, with an expansive walkaround deck that allows for easy movement and optimal usability. The boat's wide beam provides excellent stability and a spacious feel, while the large teak-decked aft cockpit, sun pads, and foredeck lounge make it perfect for entertaining or relaxing.

Powerful New Engines

Equipped with new engines that have logged only 50 hours, this 48 Wallytender X delivers exceptional performance and efficiency. Designed to provide thrilling speeds and superb handling, the powertrain ensures smooth operation whether you're cruising along the coastline or racing to your next destination. These low-hour engines are a standout feature, offering peace of mind and years of worry-free enjoyment.

With its deep-V hull design, the boat offers excellent seakeeping capabilities, handling choppy waters with ease and providing a comfortable ride at high speeds. This combination of performance and reliability makes the 48 Wallytender X a standout in its class.

Impressive Equipment Package

This 48 Wallytender X is very well-equipped, featuring a host of high-end amenities to enhance your time on the water. Among its standout features are:

- Advanced navigation electronics, including GPS, radar, and autopilot systems, ensuring effortless and accurate course plotting.
- Comfortable cruising at fast or cruising speed and at anchor with Seakeeper 6 Gyro Stabilizers.
- Premium audio system, delivering immersive sound throughout the boat, perfect for entertaining guests or enjoying a relaxing soundtrack while cruising.
- Generous sun pads and seating areas, offering unmatched comfort and style for outdoor lounging.
- Modern galley appliances, including refrigeration, ensuring you're well-prepared for extended trips.

Ideal for Multiple Uses

Whether used as a tender for a larger yacht, a standalone day cruiser, or a platform for water sports, the 48 Wallytender X is remarkably versatile. Its spacious deck layout, luxurious amenities, and powerful performance make it suitable for a variety of activities, from hosting parties to embarking on adventurous coastal explorations.

Conclusion

The 48 Wallytender X represents the pinnacle of style, innovation, and performance in the powerboat world. This particular vessel stands out for its excellent condition, brand-new engines with only 50 hours, and comprehensive equipment package. Perfectly balancing luxury, performance, and practicality, it is an ideal choice for anyone seeking a high-performance tender or day boat that offers timeless elegance and unmatched functionality.
