# DESCRIPTION

*The Axopar 37 Sun-Top has earned a reputation as one of the most capable and versatile adventure boats on the market, blending offshore performance, Scandinavian design and everyday practicality into a package that is equally at home cruising the coastline, entertaining guests or spending weekends away.*

*This particular example is powered by twin Mercury Verado V8 300HP outboards with approximately 370 engine hours and has been specified with the highly desirable Mediterrana package and aft cabin configuration. The result is a boat that offers exceptional comfort, generous social spaces and overnight accommodation without compromising the sporty handling and performance for which the Axopar brand is known.*

*Designed around Axopar's renowned twin-stepped hull, the 37 Sun-Top delivers a confident and predictable ride in a wide range of sea conditions while maintaining impressive efficiency. Large walkaround side decks, multiple seating areas and excellent weather protection make her a practical choice for both family cruising and entertaining.*

*Well equipped and ready for her next owner, this Axopar 37 Sun-Top presents an excellent opportunity to acquire a proven and highly sought-after model with a specification that continues to be one of the most popular in the range.*
