DESCRIPTION

The *Bavaria 40 Cruiser* is a well-balanced sailing yacht that combines comfort, space and reliable performance.

Built in 2008, it offers a spacious cockpit, an easy-to-handle sail plan and a bright, practical interior that makes it ideal for both relaxed cruising and longer trips at sea.

Inside, the yacht provides comfortable cabins, a functional galley and a cosy saloon area, creating a welcoming space for family or guests.

Her thoughtful layout makes the Bavaria 40 Cruiser a popular choice for sailors who want a dependable yacht that's enjoyable to sail and comfortable to live aboard.

Panel 301

Panel 301 features a green LCD display showing "EQUILIBRIUM TMI" and "12.10.17 12:32". Below the display are three directional buttons (up, down, left) and a compass icon. A grid of 15 function buttons follows, including symbols for a compass, rudder, music, anchor, and other boat-related functions. At the bottom are five buttons labeled F1 through F5. A central diagram shows a sailboat's control layout with labels: "mast level", "steer", "sail", "foot", "star", "port", "winch", and "line". A "MAX 20A" fuse holder is located at the bottom center.

Panel 302

Panel 302 contains a fuse block with three fuses labeled B14, B16, and B18. A "REVERSE POLARITY" warning triangle is on the left. Below the fuse block are several warning icons: a triangle with a flame, a triangle with a book, a triangle with an exclamation mark, a triangle with a lightning bolt, a circle with a 'K', a triangle with a lightning bolt, and a triangle with a lightning bolt and a person. A white emergency stop button with a red center is on the right. A Pioneer car stereo is mounted at the bottom. The text "230 V" and the "WE" logo are visible at the bottom of the panel.
