DESCRIPTION

FINANCE 60% AND REPAY OVER 7 YEARS

This Bavaria C42 was received in stock in March. The boat is located in Malta and is enjoying a berth at Portomaso Marina, home of luxury living in Malta.

The C42, is a 2024 model year boat and the list of extras were chosen with an owner in mind.

For those owners that are looking to finance, through a reputable local institution specialising in marine finance, we are offering 65 % finance repayable over a period of 7 years.

If on the other hand, you made it big on crypto currency and you want to realise your gain, this might be the right opportunity to do so.

Co-ownership with charter management packages are available upon request.

The BAVARIA C42 is the logical progression from the BAVARIA C-LINE, but has its own distinct character. A modern, innovative hull shape with chines and a V-shaped bow developed by BAVARIA YACHTS guarantee both the best sailing performance and an unusually large amount of space below deck.

ACCOMMODATION

This 42-foot yacht features a well-appointed interior with ample living space, including a comfortable saloon, galley, and 3 cabins for overnight stays. She also features 2 heads.
