DESCRIPTION

This well-kept Mediterranean cruiser offers an excellent balance of comfort, performance, and reliability. Powered by twin Volvo Penta D4 engines, she delivers efficient cruising and confident handling, making her ideal for family cruising and longer passages. At a comfortable cruising speed of approximately 22 knots, the engines burn around 58 litres per hour combined, offering very competitive fuel efficiency for her class.

The vessel has been maintained to a very high standard by her current owners, who have completed several extended Mediterranean trips in comfort. The bilges are kept immaculately clean, all systems are in proper working order, and the boat requires no immediate work — she is truly ready for the season.

Externally, the cockpit is designed for both relaxation and social use, featuring a generous dinette with a folding table that converts into a sunbed, complemented by a wet bar with sink and refrigerator. A teak bathing platform with a concealed ladder and hot/cold cockpit shower enhances comfort during swimming stops. A full canvas package, including camper cover and bimini, provides excellent protection in all conditions, while the foredeck offers a large sunbathing area with complete cushions. The foldable rollbar further improves versatility for low bridges or transport.

Internally, the boat features mahogany flooring and elegant upholstery, recently refurbished, creating a warm and inviting atmosphere throughout. The saloon includes a C-shaped dinette with a solid wood table convertible into an additional double berth. The owner's cabin offers a peninsula double bed with ample storage, while the guest cabin features two single berths convertible into a double. A fully equipped galley includes a sink, cooktop, refrigerator, and microwave oven, making the boat equally suitable for weekend use or extended cruising.
