BOW TERRACE

RETREAT AND RELAX

The bow terrace welcomes SWEET DREAM guests to a large sunken lounging area with comfortable settees and two big trampolines. The teak front terrace is well shielded from wind and can be protected from the sun with a large awning.

The yacht's hydraulic aft platform transports the tender, but also doubles up as a private beach, offering a full-beam area dedicated to sunning and watersports.

BOW TERRACE

THE INGENIOUS DESIGN

CLASSIC MODERNITY

Sweet Dream’s main deck saloon features a well-equipped galley to port with a kitchen island - bar. To portside, guests can relax on the large L-shaped sofa.

Rigging (Mast and boom)

- Aluminium mast
- Mast steps up to boom level

Sails and sail handling systems

- Blocks and jammers
- Lazy jack and lazy bag
- Electric driven sail winches – UPGRADE
- Fully battened main sail made Hydranet top square
- Genoa double pleated made of Dacron 1st choice
- Genoa electric furler
- Gennaker polyester - UPGRADE
- Complete gear for Gennaker

MAIN MACHINERY, PROPULSION AND MANEUVERING EQUIPMENT

Propulsion plant

- 2 x sail drive
- 2 x folding propellers (3 blade) with rope cutters
- 2 x Main engines – YANMAR 4JH110 kW (110 hp) each – UPGRADE
- 2 x Folding propellers for 280 hp Main Engines - UPGRADE
- Main engines instruments including speed control levers at the navigation table

Power Supply System

- Marine type generator set (19,0 kVA, 230 V AC @ 60 Hz, single phase)
- Main Switchboard AC 230V @ 50 Hz, 1 phase with extension panel
- Two shore connection (63A , 230V @ 50 Hz, 1 phase)
- Lithium battery banks (25.6V DC / 11,2 kWh)
- Two Battery chargers (24V / 100A)
- 230V @ 50 Hz sockets: three (3) socket per cabin, four (3) in Saloon, four (3) in Dining Area, four (4) in Galley
- Two Marine type alternators 24V DC / 75A (Mastervolt)

Rudders and steering system

- 2 x Rudders (E-glass sandwich laminate in infusion technology)
- 2 x Rudder stocks (aluminium alloy)
- 2 x Sets of self-aligning lower and top bearings
- 2 x Emergency tillers
- Hydraulic steering system

Maneuvering equipment upgrade

- 1 x Bow thruster on starboard side

DECK EQUIPMENT

Anchor equipment

- Windlass 2000W, 24V – UPGRADE
- Anchor 66 kg CQR- UPGRADE
- Anchor chain (diameter 13 mm DIN / 80 m length / galvanized
- Emergency anchor 20 kg + 20 m rope

Mooring equipment

- Mooring kit (8 fenders + 4 mooring ropes)

Towing equipment

- Towing line (50 m)

Access equipment

- Flush hatches on deck
- Swim ladder on the skirts
- Hatch at the top of the stairway between cockpit and flybridge
- Transom hydraulic gangway – UPGRADE
- Hydraulic platform 700kg capacity– UPGRADE

INTERIOR

Crew cabins

- Startboard crew cabin with 2 beds with separate access from the saloon

Curtains and blinds

- Curtains and backdrop for entrance door
- Manual operated recessed blinds or plisses in cabins
- Manual operated concealed skyscreen on cabin ceiling hatches
- Electrically operated recessed blinds or plisses in the saloon

Galley and household appliances

- Refrigerator with freezer
- Dishwasher
- Electric oven
- Cooker with hood
- Washer/dryer
- Wine cooler for 32 bottles mounted in saloon – UPGRADE

EXTERIOR

External hull painting system

- Antifouling (with Epoxy primer)
- Side of hulls in colored gelcoat – UPGRADE

Deck covering

- Cockpit and skirts floor covered with teak – UPGRADE
- Deck covered with teak and installed flush hatches– UPGRADE
- Flybridge covered with teak– UPGRADE

External Doors

- Sliding door from cockpit to saloon (manual operated)
- Pantograph fore access doors

Windows

- Fixed windows (tinted glass) on Main Deck
- Fixed portlights (Lewmar)
- Opening portlights - small (one per each cabin under Main Deck)

- All outside upholstery and cushions made of synthetic fabric (Sunbrella)
- Flybridge cushions and mattresses
- Cockpit and front deck mattresses
- Decorative pillows (25 pcs)
- Bar module in cockpit with sink with retractable faucet for the bar module, ice and ice maker – UPGRADE
- Bar module on the flybridge with sink with retractable faucet for the bar module, and low fridge – UPGRADE

PIPING SYSTEMS

Fuel System

- 2 x Fuel oil tanks 500 l each

Bilge System

- Electrical bilge pumps
- 2 x Forepeak bilge pumps (one (1) per each forepeak) – UPGRADE
- piping and valves for bilge pumping

Fresh Water

- Fresh water tank with electronic readout level indicators (volume 800 l)
- Fresh water pressurizing pump
- 2 x Fresh water heater (80 l capacity each)
- Fresh water inlet (Connection between the boat's water network and the shore water supply)
- Shower head on the cockpit ceiling with mixing valve– UPGRADE
- Watermaker 280l/h - 220V

Deck Wash System

- Pressurized fresh water outlet on cockpit (female quick-coupling snap connector)
- Fresh water outlet for washing the deck
- Fresh water outlet at lower mast area
- Fresh water outlet in the cockpit

Sanitary Drains System

- Blackwater tanks 500l - UPGRADE
- Electric Sewage discharge pump
- Electric toilets 24V in bathrooms with fresh water flush

HVAC System

- Air conditioning system - capacity 70 000 BTU/h

ELECTRICAL SYSTEMS

AC distribution system

- Main Switchboard AC 230V @ 50 Hz, 1 phase with extension panel
- Semi-automatic power supply changeover from shore to generators
- 2 x Shore connection (63A , 230V @ 50 Hz, 1 phase) – UPGRADE
- 2 x Battery chargers (Input: 230V @ 50 Hz, 1 phase Output: 24V DC / 100 A)
- Inverter 220V/ 50 Hz/ 5000W
- 230V @ 50 Hz sockets: three (3) socket per cabin, four (3) in Saloon, four (3) in Dining Area, four (4) in Galley
- Inverter 230V/ 60 Hz/ 3000W

DC distribution system

- Main Switchboard 25.6V DC
- DC distribution system and wiring
- DC-DC charger for 24V battery bank
- Lithium battery banks (25.6V DC / 11,0 kWh)
- Sets of starting batteries for gensets

Automation system

- Automation system (Domotic) with following functions shall be installed:

Control:

- Lighting with dimming
- Navigation lights
- Control of valves and pumps of black water

Measurement:

- Tank level monitoring with alarm: fresh water, black water, fuel
- Battery and charger monitoring with alarm: starter/ main batteries bank/ emergency batteries (if installed)
- Measurement of temperature in the engine room

LIGHTS

Lighting system

- Deck light
- Interior lighting with LED lamps
- Lights in the engine rooms
- Spot lights on skirt’s steps and sidewalks
- Spot lights on front terrace deck and cockpit ceiling
- Domotic smart system controiling lights (including dimmers for ceiling lights)
- Exterior lighting package – underlighting of fixed furniture on flybridge and cockpit - LED stripe in white; cockpit ceiling two LED stripes surrounding in white; LED white stripes on skirts, bimini LED lights
- 4 x Underwater lights LED – UPGRADE

NAVIGATION EQUIPMENT

- Navigation lights with LED lamps
- Position lights LED
- Compass (size 135mm)
- Chronometer
- Barometer
- Raymarine Navigation Package

Raymarine Axiom XL 16” Touch Multifunction Display– UPGRADE

Raymarine RD424HD 24” 4kW 608mm digital radome radar

Raymarine Evolution autopilot

Raymarine AIS700 - Automatic Identification System

Multisensor (depth, speed & temperature sensor)

Wind sensor

GPS

Raymarine Modular Dual-Station VHF Radio System Ray90

Searchlight with control unit

Electric Fog Horn

Wireless autopilot controller

- 2 x External camera with color - UPGRADE

AUDIO-VIDEO AND IT EQUIPMENT AND SERVICES

- Saloon Yamaha Audio Video package with 5 x Premium ceiling speakers (round) and Active subwoofer – UPGRADE
- Outdoor Hi-Fi Audio package with 2 x Marine built-in speakers in the cockpit,
- 4 x Marine built-in speakers on flybridge and 2 x Marine built-in subwoofers (10') for flybridge – UPGRADE
- 2 x Marine built-in speakers on front terace

SAFETY EQUIPMENT

- Automatic fire extinguishing system in the engine rooms – UPGRADE
- Complete rescue equipment with life-rafts for 12 persons
- EPIRB
- Gas detection system

OTHER

- Mast and boom painted in white
- Highfield tender 420
- Ten for the front terrace on carbone pillars - Upgrade
