DESCRIPTION

The 2012 Sunseeker Manhattan 53 is a superbly designed flybridge motor yacht, combining timeless styling, outstanding performance and exceptional onboard comfort. Powered by twin MAN R6 800hp diesel engines, this European specification example has been extensively equipped from new with an impressive list of factory options and bespoke upgrades, making her an outstanding choice for family cruising or entertaining. Finished throughout in elegant Black American Walnut, the light-filled saloon benefits from panoramic glazing, creating a bright and welcoming atmosphere. The open-plan layout flows seamlessly into the well-equipped galley and dining area, while the spacious flybridge provides generous seating, a wet bar and sunbathing areas for relaxed days afloat. This highly specified yacht features hydraulic bow and stern thrusters with JMS joystick control, a third docking station, Ray marine navigation package, 13.5kW Onan generator, air conditioning, stern docking winches, stainless steel passerelle, teak-laid flybridge, upgraded Fusion entertainment system and numerous premium extras throughout. Combining Sunseeker's renowned build quality with practical cruising features and luxurious finishes, this Manhattan 53 presents a fantastic opportunity to own one of the most desirable flybridge yachts in her class.

EQUIPMENT & EXTRAS

Accommodation:

The Manhattan 53 offers luxurious accommodation for up to six guests across three beautifully appointed cabins, complemented by two well equipped bathrooms, making her ideal for extended cruising with family and friends. The full-beam owner's cabin, located amidships, provides a spacious and relaxing retreat with a large double berth, generous wardrobe space, bespoke Black American Walnut cabinetry and large hull windows that flood the cabin with natural light. The private ensuite bathroom features a separate shower and quality fittings throughout. Forward, the VIP guest cabin offers an island double berth with excellent storage and direct access to the second bathroom. The starboard guest cabin is fitted with twin single berths, providing comfortable accommodation for additional guests or children. Finished to Sunseeker's renowned standards, the accommodation combines premium materials with intelligent design to create a warm and inviting interior. Thoughtful storage, refined joinery and elegant detailing ensure the Manhattan 53 is equally suited to weekend escapes or extended cruising in complete comfort

Recent Extras : New generator 2025, New exterior upholstery, New set of covers, Yacht controller, Watermaker.

Interior Joinery & Furniture:

- Interior wood finish in Black American Walnut throughout.
