SUNSEEKER PREDATOR 62 - AK 1

EUR 575,000 - TAX NOT PAID

yachthubgroup.com

DESCRIPTION

“AK 1” is a 2007 Sunseeker Predator 62 that has been very well maintained and presents itself in very good overall condition.

The yacht, is commercially registered in Malta, carrying the Malta flag, VAT not paid. Should VAT apply upon the sale of the yacht, the buyers could opt to set up a company in Malta and purchase the yacht under the said Company. The company could lease the yacht to the shareholder over an allowable period of 25 years, thus spreading the VAT payable over the same period and paying around 1% VAT per annum throughout the duration of the lease. Depending on the service providers, the annual maintenance cost of the company is around EUR5,000. The other option is to take advantage of the Malta VAT rate being 18% and paying outrightly the VAT in Malta.

Alternatively, being a commercial yacht, if you decide to retain the yacht for a charter operation, the yacht could be sold and retained as VAT not paid.

With respect to the overall condition of “AK 1”, the yacht’s interior was upgraded by the previous owner to a more modern look as can be evidenced from the pictures in this brochure. All exterior cushions were changed as well. The present owners did not spare any expenditure to maintain the yacht to the highest standards; service and maintenance invoices are available and can be shared. Detailed walk-through videos can be shared upon request.

ACCOMMODATION

“Ak 1”, is a 3 cabin Sunseeker, two double and one with bunks, a sizeable saloon on the main deck and leading to the Galley and breakfast area located at the lower deck. The exterior is very spacious with sunbathing areas at the aft and the foredeck, a large bathing platform that lowers and lifts making manoeuvring of any tender and toys relatively easy, whilst one can spend time on the platform submersed in the water, enjoying the sun and the sensation of freshness of the sea. Not to mention the trill provided by the performance of a classical Predator as “AK 1”.

Come and visit the yacht to appreciate “Ak 1” and its current overall condition.

SPECIFICATIONS

Make	Sunseeker	Engines	2 x 1200 MTU V8 M93
Model	Predator 62	Cabins	3
Year	2007	Berths	6
